

FOR LOCAL BUSINESS OWNERS

Your AI agent catches what **you miss.**

Missed calls. Invoices you forgot to send. Payroll due tomorrow.

Taxes. Inventory. Scheduling conflicts. Supply chain delays.

Emails buried in your inbox. That review you never responded to.

Bookkeeping. Vendor follow-ups. Employee onboarding paperwork.

A dedicated AI agent that watches your business 24/7. Runs on private hardware. Your data stays safe.

\$5,000 setup · \$1,000/month

Installed for you in one day. Cancel anytime.

We handle everything.
